Group

Who We Are

Access is the nation's premier specialty diagnostic laboratory. We offer a broad menu of testing from blood, saliva, urine and swab samples. Tests are performed at our 25,000 square-foot ultra-automated facility in Jupiter, Florida. By providing your test results within 24 hours, we are able to deliver the most up-to-date information on your patients with speed, mobility, and convenience.

Our Solutions

Access provides our clients with solutions to save time, draw less blood on each patient and get faster results to improve patient care. With our broad menu of testing and products, we are able to simplify the lab process in each office allowing our clients to focus on their patients.

Our Simplified 3 Step Process

At Access, we believe that lab testing should be as simple and efficient as possible. This is why we created our simplified three-step process which enables clients to draw less tubes on their patients, save time in their practice, and receive results the next day.

Draw

We supply you with everything needed to draw your patient's blood in the comfort of your office. This adds convenience for your patients while giving you full control of the tubes being drawn to minimize errors.

Spin

We eliminate the process of separating blood or pouring off urine. Just spin down the SST tubes and we will handle the rest in our ultra-automated facility.

Send

Simply place all of your labs for the day into our lab kit, and our courier will pick it up from your office every day at the time you desire. Results will be delivered within 24 hours!

You receive results within

24hrs.

Specimens arrive at our **25,000 sq ft** state-of-the-art facility.

Courier will pick up the specimens from your **location**.

We don't just deliver results, we provide peace of mind™
Call or email today! • 866-720-8386 • Sales@accessmedlab.com

Account Registration Process

1

Go to <https://accessmedlab.com/newaccount>

2

Fill out the new account form with your office's demographic information. On the "How did you hear about us" portion, enter **Elite-170** to receive the group discounts.

3

After the registration is complete you will receive a welcome email from our Client Relations team and a call from your Account Executive shortly after.

4

Supplies will be shipped out the same day and will arrive to your office within 1-5 business days.
